

Now is the time to call loved ones
at a distance. Share your news.

11 14 22 23 32 36

You may lose the small ones
but win the big ones.

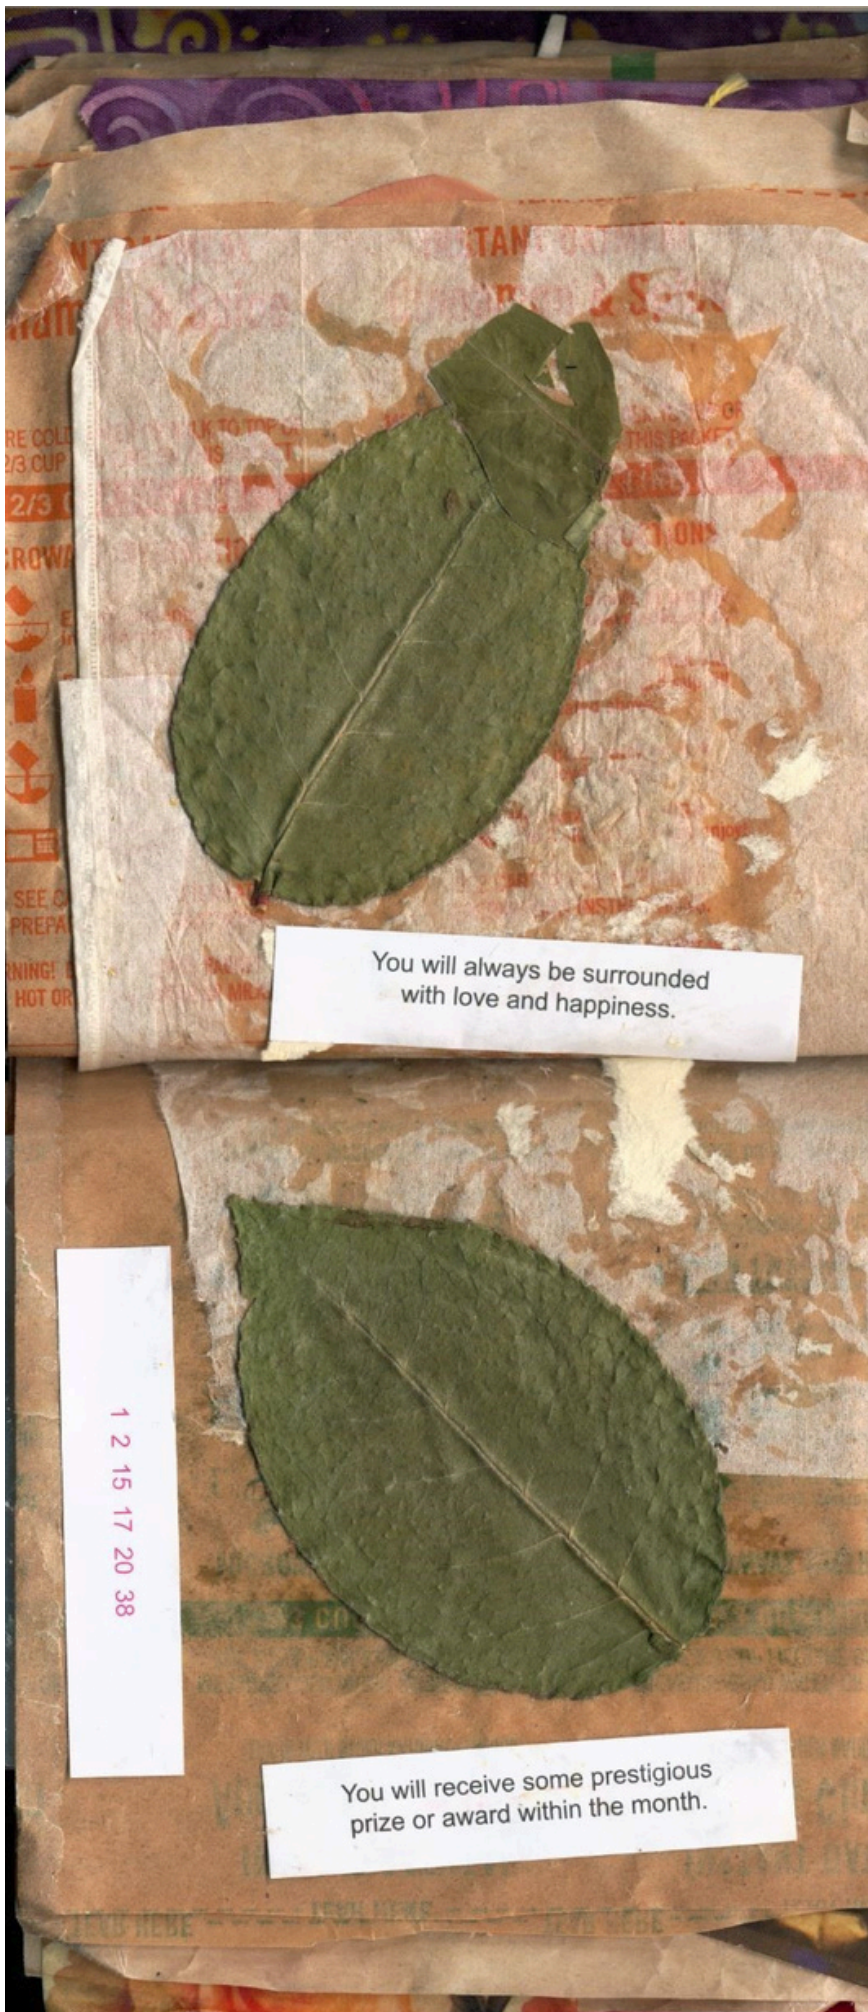

You will be spending some time
on the water soon.

If you want the rainbow,
you have to have a storm.

A good friendship is often more important than a passionate romance.

You will always be surrounded
with love and happiness.

1 2 15 17 20 38

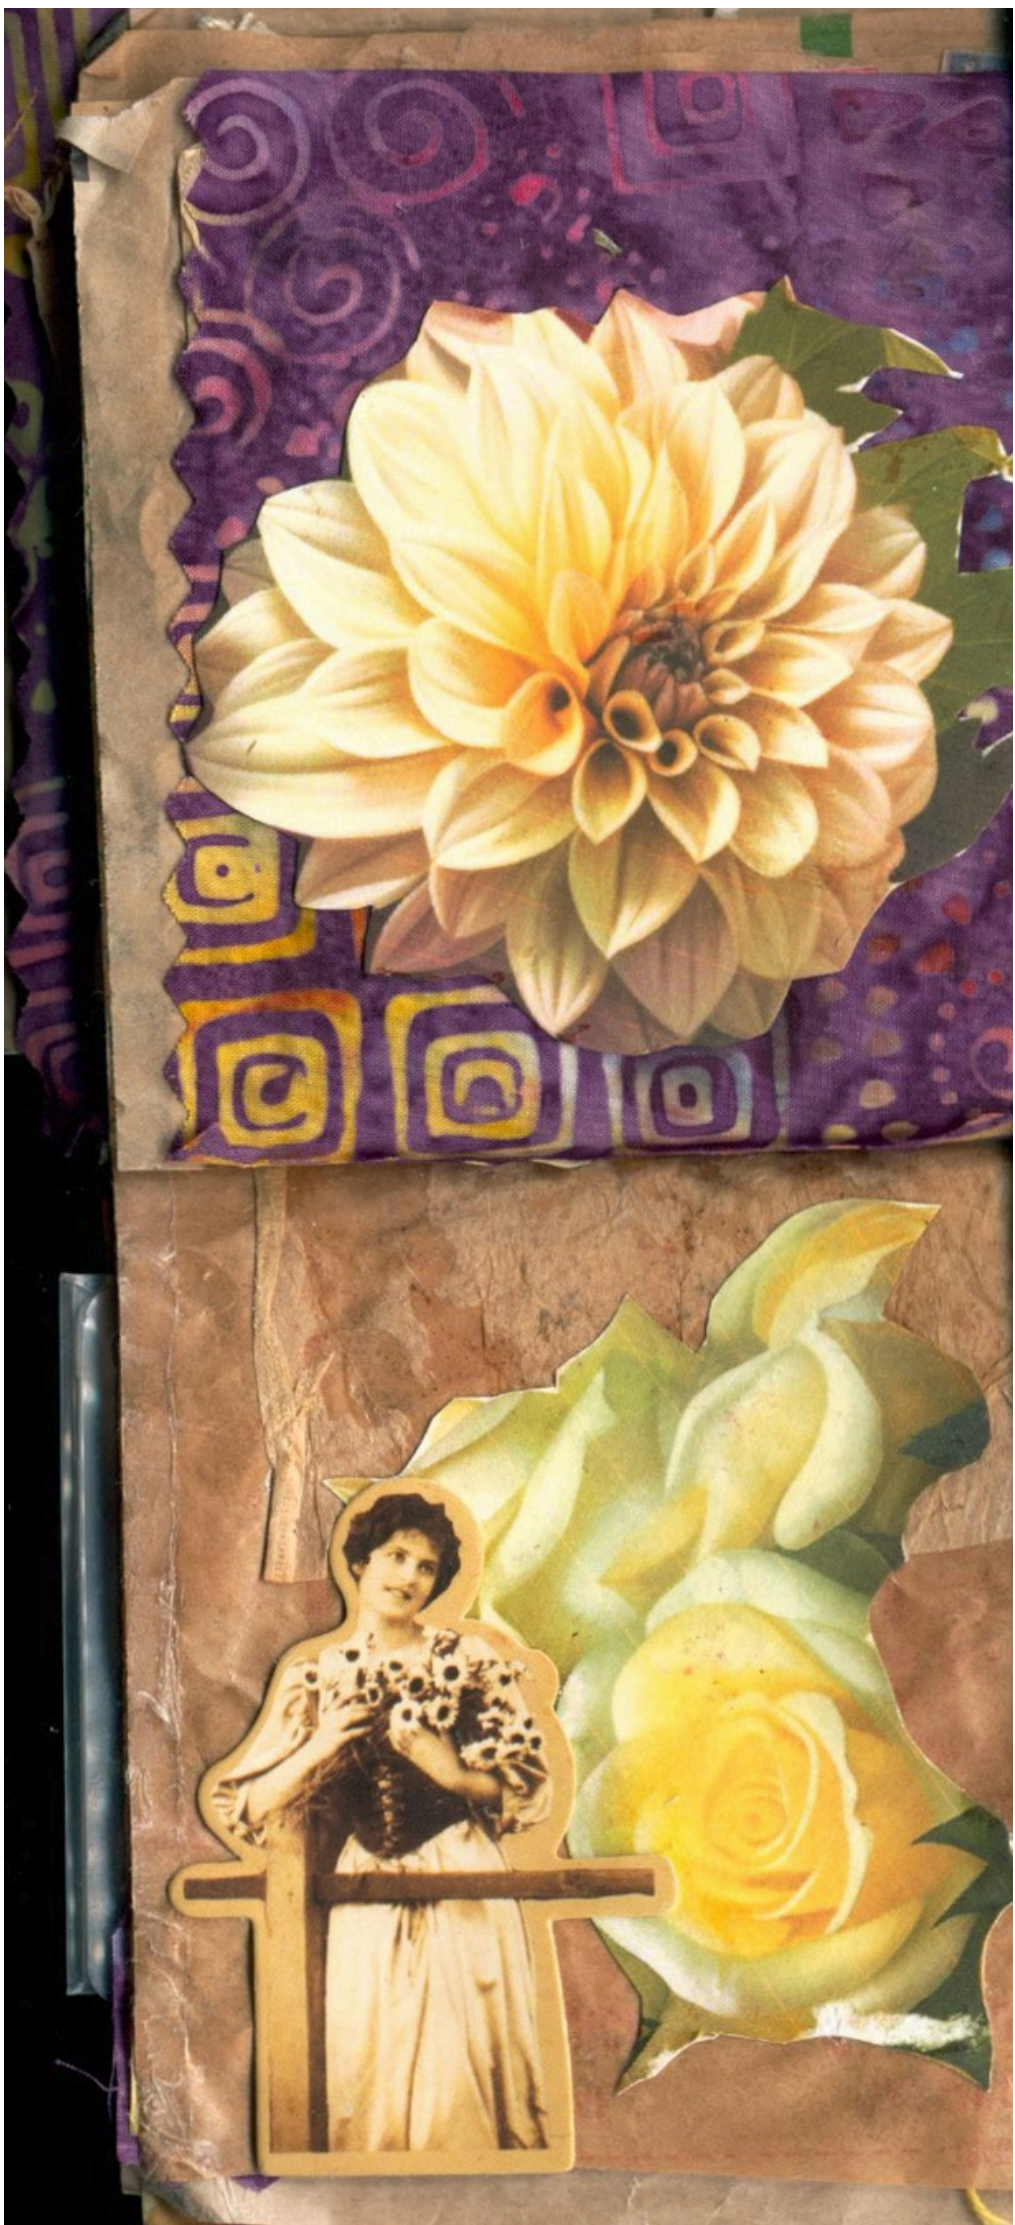

You will receive some prestigious
prize or award within the month.

Your luck will finally
surface this month.
